

## Heritage Collection

Trends come and go. Style remains. A fact that is also proven by the new 911 Targa 4S Heritage Design Edition, which pays homage to the roots of the Porsche brand and, with its many historical design details, brings a piece of sports car history back onto the streets of today.

The Heritage Collection is based on this Porsche special edition, proving that the 50s had much more to offer than just petticoats, sheath dresses, blue jeans and leather jackets. With gorgeous colours and golden accents, it breathes retro into your everyday life – but adds a modern twist.
